Higher Education Emergency Relief Fund (HEERF II) Distribution Protocol

The Higher Education Emergency Relief Fund II (HEERF II) is authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260 (December 27, 2020) to provide monetary support for education. Aveda Institutes (the "School") was allocated \$775,812 in financial aid grants under CRRSAA. Aveda Institutes will make these emergency financial aid grants available to students with exceptional need for expenses related to any component of a student's cost of attendance or emergency costs that arise due to the coronavirus, such as tuition, food, housing, health care (including mental health care) or childcare.

The School will determine the amount of each individual emergency financial aid grant allocated to students according to the Allocation Methodology below and consistent with all applicable laws including non-discrimination laws.

The School will distribute grant funds in two disbursements. In the First Disbursement, the School will distribute grant funds to all currently enrolled students who are receiving a Pell grant or are eligible to receive a Pell grant. Any other currently enrolled student that is not Pell eligible may apply for grant funds if exceptional need can be demonstrated. These funds will be part of the Second Disbursement. **Both Non-Pell eligible students AND Pell eligible students may apply to receive a portion of these 2nd disbursement funds.** Students must complete a Grant Application and attach supporting documentation to demonstrate exceptional need. Grants from this 2nd disbursement to eligible students will be awarded on a first come, first serve basis until the funds the School was allocated are depleted.

ALLOCATION METHODOLOGY

First Disbursement: 75% of the total grant funds allocated to the School will be distributed equally to all currently enrolled students who are receiving a Pell grant or are eligible for a Pell grant. This formula will be **\$581,859** / # of eligible students.

Second Disbursement: The remaining 25% of the total grant funds allocated to the School, **\$193,953**, will be reserved for students to apply for and document exceptional need. Students will need to apply for these funds using the School's Grant Application form, including a written statement. The School's HEERF Need Panel to assess individual student need and make a decision on the amount based on the student's need. The funds are allocated to each branch campus location by prorating the # of non-Pell eligible students in each branch location. See table below.

- The Panel will consist of the following members:
 - Campus Director
 - Campus Financial Aid Team Lead
 - Director of Finance
 - Director of Operations
- The Panel will decide and document:
 - Whether or not the student applicant will receive a grant
 - The amount of the grant
 - The reasons for this decision
 - For each applicant, the Panel will retain an acceptance or denial form
